sammie sheds all

The other day, I got quite a surprise. I caught my man looking at a girlie magazine in the bathroom. I was quite surprised, but not upset. If it makes him happy – and horny – then that’s fine by me. I took it as a lesson learned. I think I’ll show him I can do better than the girls on those pages!

tiffany double stuffed

I have a week to learn to shoot with a bow and arrow. I've come to the woods with two classmates that are going to show me how to do that. Maybe I can get our dinner tonight. But first, I promised the guys to show them what I do best – fuck. Not just fuck, but fuck two guys at the same time. It didn't take much convincing, especially when I unzipped their panys and pulled those cocks out and into my mouth. Not too many girls can handle that. I'm a go-getter and when there are a couple big cocks around, I go get them.

JOB HANDLED...

Hello, My name is Cliff, and I'm a 22 year old student going to night classes at the nearby community college. The economy made me lose my job, so I've been trying to reinvent myself. So now I'm in night school in a finance class. The class met at 7 pm and was pretty small. There were about ten students total, so everyone knew one another. And that is when I met Louise. She was about 30 years old with good looks and brains. She had lost her job and was looking to find another way to make a living, too.

Three weeks into the course I still had not really spoken to her. One night she walked into class late with high-heels and a tight little black dress. I almost came right there and fantasized about her the rest of the class. In the next class we somehow began talking and shared stories about our past jobs and past spouses. Over the next few days we kept chatting in class, on breaks, and after class. She eventually told me she was married, but her husband was very boring and she even cheated on him two years ago. I didn't know if that was a cue but I let it drop – for the moment.

Then, one Wednesday night I asked her if she would consider going for drinks with me after class. She quickly told me that she would love to go. I asked her about her husband, and she told me that he would be back in a month, so now is the best time.

We were sitting at the restaurant's bar. We each had two drinks and began going on about pretty much everything. She began massaging and rubbing my back lightly as we talked. She rubbed her hands against my arms and gently began brushing her finger tips against my hair and neck. This turned me on and I wasted no time in gently returning the favor. I positioned myself to be able to look her in the eyes when she gave me a light smile and moved her lips in my direction. Our lips touched slowly and we began making out. I suggested we go out to the car and quickly left the bar.

She told me that we could not have sex. She promised her husband. But she knew how excited I was and she would gladly jerk me off. I leaned against the car and she unzipped my pants. She leaned into me and pulled out my throbbing cock. I felt the coolness of the air and the warmth of her hand. She deftly moved her hand up and down my cock, tightening at just the right time and playing with the head on every other stroke. I pulled my balls out and she began rubbing and pinching them. I threw my head back and let my groin take it all in. I came right there and watched as the squirt hit the car's ceiling. We laughed and I asked if I could return the favor sometime.

– *Kevin... Wishing I had a convertible*

She deftly moved her hand up and down my cock, tightening at just the right time and playing with the head on every other stroke.

BLAIR-NTS-03

BEDROOM BABES...

It's late June and the basketball playoffs have ended for another year. The champion was once again crowned and the losers forever forgotten. The party I had just hosted was winding down. Almost all my friends and neighbors have gone home and I'm stuck cleaning up the mess that we had created through a night of yelling and drinking. I'm picking up red plastic cups and beer cans littered around my house and slowly making my way upstairs thinking why should there be any trash upstairs?

I stumbled up the stairs, trash bag in tow, and thought I heard moaning coming from one of the bedrooms. Slowly, I got closer to that door. I paused and put my ear to it and listened. What I heard, I could not believe. I quickly became excited and noticed that my cock had hardened listening to the female voices. I peered through the small crack. The room was pitch black yet I was so fixated on finding out who the two were that I pushed the door more open and stuck my head further into the dark room.

I reached into the room and fumbled around the wall for the light switch, finally flicking it making the room bright with light. What I saw left me completely awe shocked. Two beautiful female bodies sitting up in the middle of the bed, their legs and bodies intertwined. Instantly I recognized them. The blonde was Gina, a well known lady in the neighborhood. The other, whom Gina was embracing, was Valerie, another neighbor who we all thought was a quite conservative. Her hair was black and curly, her breasts were less developed than Gina's but equally as perky and hot. I stood there watching the two make out for another moment with the lights on, almost as if they didn't notice.

Then I heard one yell at me. "James! What are you doing? Leave us alone!" Not knowing what to do, I replied, "I'm just cleaning up." I raised the trash bag full of beer cans and pizza boxes as if to validate my actions. By now, Valerie was completely mortified. She grabbed a sheet and covered her bare breasts. I slowly started towards a stack of empty plastic cups and beer cans at the foot of the bed. The two ladies sat up on the bed, arms crossed, waiting for my departure.

I noticed a couple empty water bottles on night stand next to the bed. I slinked over to pick them up. "I'll turn the light off again." I said sadly, knowing my little adventure would soon be over. As I flicked the switch off I stood in the doorway, slumped over like I just lost my best friend. "Okay, James. Come back and play with us." I heard Gina say. "Really?" I asked. No reply, so I dropped the bag, ran into the bathroom to wash up and flew back into the bedroom. Valerie, after a reassuring look from her lesbian partner, lowered the sheet covering her fine boobs and gave a wry smile. She crawled across the bed on all fours towards me and my hard dick.

My throbbing member shot into the air as Gina

As I flicked the switch off I stood in the doorway, slumped over like
I just lost my best friend. "Okay, James. Come back and play with us."

pulled my boxers down and began to gently stroke the whole eight inches. She pressed her delicious lips against mine, and we started swapping spit. Our tongues rubbed against each other's. I found myself face-to-face with Gina's full boobs. She had puffy, pink nipples of perfect size and shape, and I couldn't help but place my mouth on one. She moaned with pleasure as my increasing erection pressed against her body.

"I need to see this cock of yours!" She said as she pushed me back once again and went down on me. Before I knew it, she was stroking my dick with both hands. "I never knew it'd be this big, Bob. I've never seen a cock so large!" She exclaimed with pure sexual excitement. She placed her lips on the head before opening her mouth and putting it in her mouth. I moaned softly with pleasure as her saliva covered my dick and as she started sucking, she continued to stroke vigorously with both hands.

After a few minutes, she positioned herself above my cock and Gina held it as Valerie sat down on it. "I've never actually had a cock so big in me, so please be gentle." She gasped with pleasure as shock traveled through her body. Her insides were unbelievably wet and tight, squeezing my dick with every bounce she took. After a while, she twisted around in a reverse cowgirl and bounced on my penis some more. While she worked my cock, Gina was busy licking up and down Valerie's wet pussy lips. And then an idea popped into Gina's head; she went right for Valerie's butthole. She licked it in circles dipping her tongue in and out of the tight hole. Valerie responded by shooting her butt higher into the air as she rolled her own tongue around the purple head of my dick. I felt the inevitable feeling of a orgasm coming on. "Slow it down, Valerie. I have to save something for Gina." I said. I pushed her off before I came and immediately I felt Gina's hot mouth around my dick.

Valerie headed straight for my balls and took them in her mouth. I looked down to behold two beautiful women working my cock and balls. It was almost like watching a porn movies, but with real chicks. She rolled her tongue faster and faster, and squeezed my shaft harder and harder as it became increasingly difficult to hold my load in. Valerie moved her focus from my balls to my asshole. Then, another big surprise came, Valerie took her middle finger and plunged it into my anus as it was already soaked with saliva. This image took me way over the edge as my face turned red and my toes curled, I shot a hot huge load straight into Gina's mouth.

Valerie moved over to Gina and they swapped my jizz. Some drops flowed out of the corner of Gina's lips and Valerie was quick to lick it up. She then reached over for a swig of beer from a bottle still on the night stand. She passed it to Gina who also gulped down a shot. Then Gina pushed me over to the edge of the bed. "You can stay and watch, but don't touch. Okay?" I agreed and laid back as I saw an incredibly erotic sight unfold. They two ladies went at it with renewed fervor and an hour later both ladies came from sixty-nining. I applauded them and got up to collect the rest of the stuff.

– Jason… still taking out the trash

……

She rolled her tongue faster and faster, and squeezed my shaft harder and harder as it became increasingly difficult to hold my load in.

BLAIR-NTS-09

dream lover
then reality sits on me

There didn't seem to be a point of going to college any more - it was boring, there were lots of rules, and the days seemed to stretch out endlessly. It was the middle of winter in Vermont, which only seemed to add to the feeling of claustrophobia that I was developing. But I had to stick with it. Only one more semester and I will graduate. Only four more months of this, then I can be my own man and make my own rules. I hope I'm right.

Anthropology was not my best nor my worst class, however, because I was crushing on the prof, Ms. Collins. I hadn't missed a class all year and I actually try to learn the stuff, but it's hard and I keep telling myself that I'll never use it after I graduate. Oftentimes she'd be talking and I'd dream off pretending to fuck her. I didn't care if she was married or not. She was articulate, wore glasses, in her mid thirties, with her hair always in a pony tail. She usually wore slim fitting black jeans, and was quite attractive. This crush of mine had developed over the first semester but initially I had not really noticed her in that way. But gradually, week by week, I had become more and more interested in her, until now I lusted for her.

Sitting in the class, watching and listening to Ms. Collins, I would start to get aroused. First I could feel my heart beating faster, then a deep clenching in my groin, followed by a clenching in my throat. Slowly my cock would start to grow, and feelings of pleasure would start to wash over me. At the start of semester this would have been agony. Of course, what I wanted to do was to wait until I was excruciatingly horny, and slowly unzip my tented pants and extract my stiff cock and swollen balls. Then I would reach down and stroke my cock, all the while thinking about pulling Ms. Collins jeans off and slowly sliding into her. The way I imagined it, I would be so horny and tense that one slow slide into her sweet wet sex would take me to the edge and once my balls touched her ass I would start pumping uncontrollably. However, the agony of being horny in class lessened because I had recently started to do something new at school, and that was to leave the class and go and jerk off in the toilets. I thought it was kind of weird, but it certainly spiced up boring classes.

Having to 'pee' once again, I raised my hand and asked if I could use the rest room. She released me from class and I stood up and left. I got the end of the hall and was about to walk into the student toilets when I saw that they were out of order. I couldn't see what was going on inside but there was a sign on the door. I was getting a little worried: my cock, which was quite thick, was difficult to hide, and I needed to get into a stall. I looked around, and across the way I saw the staff toilet door. I looked around, and, not seeing any teachers around, I went in. Inside were two cubicles, and a wash basin. I entered the far cubicle and closed the door. The cubicle was clean, unlike the student toilets, although the panel in between the cubicles was damaged somewhat. At certain angles I could see through into the next cubicle. "No biggie," I thought - I was in a hurry to cum and get back to class. I sat on the lid.

BLAIR-NTS-07

I undid my pants and pulled down my boxers. Coming into the bathroom had been a bit stressful, and my cock lay sideways, fat and long over my thigh like a beached whale. As I watched it, it started to pump itself up like a balloon, up and down, up and down, until it was standing at full attention. I took my left hand, and wrapped it around the top half of my shaft. The head still stuck out the top, flaring and pulsing as some precum oozed down and pooled on my balls.

I started to stroke, enjoying the feeling of each slow movement up and down. I thought of Mrs. Collins standing with her back to me, pulling her jeans down, revealing her tight heart shaped ass. She would step back wards towards me, and slowly begin to sit down on my desperate throbbing pole. As her heavenly ass descended, her pussy would spread more and more to accommodate my girth. She would then she sliding downwards, seemingly endlessly, more and more, until her ass was on my lap, me totally inside her. As she touched down, she would let out a sigh and gently revolve her hips, as if to get more comfortable, and this would coincide with me pulling my shaft down slowly very firmly.

This image was too much for me, and I grunted and spasmed as I felt a huge wave of pleasure wash up my body, and my twitching member started slinging sperm all over the stall. I frantically covered the head with my hand, and felt the warm goo on my fingers, then on my shaft and on my balls. After a final tremendous heave the pleasure started to subside, but I longingly kept pumping myself for a few more seconds.

“Good heavens... Steven Johnston!!!” a stern female voice said. My eyes jerked open and I was shocked to see the stall door open, and that Ms. Gannon, my Biology professor, was standing there with her hands folded, looking into my stall. How had she opened it? How had I not heard her come in? I don’t know. All I know is that I was sitting on the toilet in a cum covered cubicle, my cock in hand and looking very dishevelled and quite guilty.

“Uhhh... Ms. Gannon! I wasn’t doing anything” I started to splutter while zipping up. “The student toilets were...”

“Really, that is a very interesting, Steven. Do you know what will happen if I take action on this? Masturbation in the toilets is certainly not allowed!” she said severely, stepping into the stall.

“I’m really sorry Ms. Gannon, I’m not sure how that happened. The other toilets were under repair and I came in here to...” I said, not knowing what more to say, so I kept gabbling. To no avail.

Ms. Gannon was at least forty, with short blonde hair and fashiony glasses. She had nice skin and was what one might call a full-figured woman. In my classes with her she usually wore a suit, but now she was just wearing a flowery shirt and dark skirt. I noted with shock that her shirt was unbuttoned half way down, and open, revealing the deep slit between her rather large breasts. The shirt barely covered her dark nipples, which were standing up like pencil erasers.

“I have been watching you, Steven.” she said qui-

She would then she sliding downwards, seemingly endlessly, more and more, until her ass was on my lap, me totally inside her. As she touched down, she would let out a sigh ...

etly, taking another step into the stall and towards me. She unzipped her skirt, and the material strained as she pulled it down over her ass and thighs. She was wearing a thong which struggled to hold on to the expanses of her flesh and I immediately could smell her warm sex. My throat tightened as I imagined what she was going to do. She roughly grabbed my shirt and pulled me forwards off the toilet and shoved me onto the floor.

“If you don’t want me to report you, then do as I say and everything will be fine.” she said curtly, and with that she stepped over me, and pushed my head back so that it was it was resting on the toilet and I was looking at the roof. She pulled her thong aside to reveal her dripping pussy, and then with one foot on either side of me she lowered herself down onto my face. I could not believe what was happening. Did Ms. Gannon just sit on my face? I could not think clearly because my ears were covered by her thighs. My mouth was filled with a warm slippery mess of her sexual fluids, and all my eyes could see were the two large lobes of her breasts hanging above me. She moaned as my tongue found its way into her moist slit. She reached down with both hands and clenched my hair and slowly started to gyrate on my face. She started first with her dripping pussy lips, which she slowly wiped all over my face. Then as she got more and more excited, her gyrations became longer and firmer, so that her clit would slide up my face, followed by her pussy, and then her ass.

Within minutes, Ms. Gannon was smashing herself deeply into my mouth and across my face, up and down, up and down, and moaning loudly. My mouth and nose were filled with the taste and smell of her warm tangy cum, and with each thrust her boobs hung in the air, and then fell and bounced off her chest again. By this time my cock was stiff as a rod, and I was stroking myself frantically again, using my own sperm as lubrication.

Soon, Ms. Gannon was screaming and slamming herself into me very hard and my head was banging loudly on the toilet seat. As I began to spurt even more of my own cum all over her rippling ass and my stomach, she let out a great howl and began to shudder, and I felt my face covered in her cum as her beautiful pussy pumped out its sweet syrup. She sat on my face panting for a few seconds and unrolled some toilet paper to wipe off her back before standing up and buttoning her shirt. She ordered me to get off the floor and stepped back.

“Well Steven, you had better get back to class,” she said, pulling up her skirt and doing up the zip.

She grabbed the roll of toilet paper and tossed into onto the floor next to me. “Every time I catch you beating off in the toilets, I will fuck your face. Got it?” she said as she grabbed my cock and squeezed hard.

I frantically wiped my face and nodded deeply as she gave it one final squeeze and left me in the stall, stupefied and satisfied.

“Good,” she said standing just outside the stall door. Then she turned on her heel and left the area. I washed my hands and went back to class.

All girls depicted at least 18 yrs of age. Must be over 18 to call. All major Credit Cards accepted.

I have the wettest pussy that yearns to be filled. Sometimes it calls to me in the middle night demanding that something be done to fill it. If there is no man around, I start with my fingers and then find my trusty dildo to finish me off. While these are good things, a hard cock is the best. But, somehow, there always seems to be a man around. Go me!!t
